

# *Little Learners Classes!!*

Extra Enrichment Classes with a STEAM theme!

- Offered in the FALL, WINTER & SPRING!
  - More information on themes will be available before each session
- Each session is 7 weeks long
- Classes meet once a week on either Monday or Tuesday (am or pm)
- Two great class choices each session!
- A free Lunch Bunch is given on the day your child has a Little Learners Class
- Cost is \$155.00 per session
- Open to all students who are currently enrolled in our 3-year-old or 4-year-old programs
  - SPECIAL NOTE FOR OUR 3-year-olds!
    - Due to NJ State regulations, we cannot add Little Learners to your child's school day. They require students to have a nap if they are in school for more than 4 hours, which we are not set up to accommodate. However, you can sign them up for Little Learners on a day that they are not in school for their regular class! Feel free to include Lunch Bunch as well for those days. For our 3MWF classes, you can choose to sign them up for Monday and then take them home for lunch, which would suffice for the required break.
- Children must be potty trained to participate
