What is Lunch Bunch?

Lunch Bunch gives your child some additional time at school by offering the opportunity to share a meal with friends, learn important social skills and participate in planned enrichment activities. Children engage in stories, songs, free play, games, art activities and gym or playground time. The earlier drop-off or later pick-up time is also a benefit for parents who may need a little extra time in their day.

When is Lunch Bunch?

- **Lunch Bunch Logistics:** Send your child to school with a nutritious **nut-free lunch** and beverage, including silver/plastic wear if needed. Lunches will not be refrigerated or heated so please pack an ice pack or place food in a thermos if necessary. Teachers are happy to assist children with opening packages. Any uneaten food will be returned so you know what your child is and is not eating. Please label all lunch boxes & water bottles with your child's name.
- **Reserve your spot:** The link for the Sign-Up Genius will be in the Documents Tab of Brightwheel. The link will be updated monthly. Please reserve a spot for your child before sending them in with their lunch. If there are no spots available- your child cannot stay for lunch that day because we are at maximum capacity but we hope you join us on another day! **If your child is enrolled in Little Learners, reservations are not needed for those days.**
- **To Pay:** You will be billed via Brightwheel on the Friday of the week your child attends lunch bunch. You can pay through Brightwheel or you can put a payment in the black mailbox by our door.
- **ALLERGEN INFO:** **Due to food allergies, please do not include peanut butter or any products processed in a facility containing peanut and nut products** in your child's lunch- "sun butter" is a good alternative to peanut butter- if you do choose this alternative, please send in a note that day specifying that your child's lunch is "sun butter" so that the teachers are aware.
